ADVISORY

Indian nationals wishing to travel to Iran are advised to note that the Government of the Islamic Republic of Iran has suspended the entry of all passengers travelling directly or indirectly from India into Iran w.e.f. 25th April, 2021. This measure has been undertaken by the Iranian authorities in light of the prevailing COVID-19 situation in India. All direct flights between India and Iran have since been suspended.

2. In view of the above, all Indian nationals who were planning to travel to Iran directly or indirectly may postpone their travel plans till the above mentioned travel restrictions are lifted by the Iranian authorities.
