

EMBASSY OF INDIA

TEHRAN

ADVISORY

19 July 2026

The recent days have seen an increase in levels of instability and conflict in Iran. In this light, the Embassy wishes to issue the following revised advisory:

- a) Indian nationals intending to travel to Iran for any purpose should postpone travel for the time being, until the security environment improves.
- b) Indians already in Iran should consider temporarily exiting Iran, using available flight options.
- c) Indian nationals who choose to remain in Iran should exercise the highest possible level of caution. They should carefully monitor the news to maintain full situational awareness, and should avoid locations seeing higher levels of military activity such as those along the southern coast of the country. Instructions issued by local authorities should be complied with carefully.
- d) Any Indian nationals present in Iran who have not yet registered their details with the Embassy should do so immediately, and should regularly monitor the Embassy's website and social media handles for further updates.
